

The screenshot shows a web browser window with the title "Grammar & Spell Checker". The address bar shows the URL "127.0.0.1:5000". The page has a header "Grammar & Spell Checker" and a section "Enter Text:" with a text input area containing the following text: "Their was many peoples in the park yestarday and they was playing games and making lots of nois. One of the kid runned fastly and fel down, but nobody helped him becaus they was bussy with theirselfs. I seen the whole thing from far and thinked maybe I should of go there but I didn't. It weren't a good decision, I guess." Below the input area is a button labeled "Correct Text". The page also displays three sections of corrected text: "Original Text:" showing the original input, "After Spell Correction:" showing the text with spelling corrections, and "After Grammar Correction:" showing the text with grammar corrections.

Grammar & Spell Checker

Enter Text:

Their was many peoples in the park yestarday and they was playing games and making lots of nois. One of the kid runned fastly and fel down, but nobody helped him becaus they was bussy with theirselfs. I seen the whole thing from far and thinked maybe I should of go there but I didn't. It weren't a good decision, I guess."

Correct Text

Original Text:
Their was many peoples in the park yestarday and they was playing games and making lots of nois. One of the kid runned fastly and fel down, but nobody helped him becaus they was bussy with theirselfs. I seen the whole thing from far and thinked maybe I should of go there but I didn't. It weren't a good decision, I guess."

After Spell Correction:
Their was many peoples in the park yesterday and they was playing games and making lots of noise. One of the kid ruined lastly and felt down, but nobody helped him because they was busy with theirselfs. I seen the whole thing from far and thanked maybe I should of go there but I didn't. It weren't a good decision, I guess."

After Grammar Correction:
There were many people in the park yesterday and they were playing games and making lots of noise. One of the kids was ruined lastly and felt down, but nobody helped him because they were busy with themselves. I saw the whole thing from far and thanked maybe I should of gone there but I didn't
